Dear Sanjay

The Management Theater titled “**EK AUR EK GYARAH**” was a very experiential learning for me and the audience. We thank your team and ICICI Bank for bringing such a wonderful program for the SME CEO’s of Nagpur under the aegis of ICICI Bank SME CEO Circle.

We look forward to many more such programs that benefit the Small and Medium Enterprises directly and help them tide over the difficult market conditions.

Looking forward to do such programs for the benefit of our members at VIA.

Thanks & Warm Regards

Suresh
