Dear Sanjay ji,

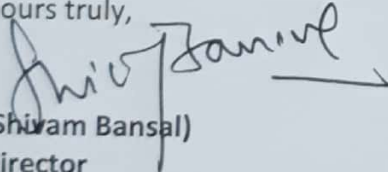

It was indeed a great learning experience for me and my team in the 10 hours of SAREGAMA of SALES program done over webinar by us.

The way you methodically broke down every component of Sales into its least count and explained a scientific construct for fulfilling the same was indeed thought provoking. Our sales team is now motivated and charged up to put all the new learnings to practice.

We were thoroughly satisfied with the mode of Webinar as a learning platform.

With best regards,

Yours truly,

  
(Shivam Bansal)
